30 September 2020

Notice of 2020 RADAR Branch AGM

Dear Colleagues,

This letter is to formally advise you of the 2020 Annual General Meeting of the RADAR Branch, to be held at Stockton RSL Club, 29 Douglas Street, Stockton NSW, on **Friday 9th October 2020** commencing at 1100.

The AGM was initially scheduled for April this year, however following the escalating severity of the COVID-19 pandemic, the decision was taken to postpone the AGM to a more appropriate timeframe. Following the first postponement, the AGM was again delayed in June and August. The committee is now of the view that it is safe to conduct the AGM, so the meeting will proceed on 9th October.

Your Branch remains in a relatively healthy, although not growing, state. As with many ex-Service organisations, we struggle to attract new members - those still serving seem to have little interest and those who have left the Air Force over the last couple of decades, with few exceptions, also show little interest in joining.

The principal purpose of the AGM is to dissolve the extant committee and elect new committee members and office bearers. Thus, if you have an interest in making a more significant contribution to your Branch, or wish to have a say in the direction of the Branch, please do not hesitate to become involved; new faces are always welcome. If you would like to nominate for the committee, please advise me either prior to or at the AGM.

My apologies for the short notice provided for the AGM, however the uncertainty surrounding measures to halt COVID-19, has meant that longer-range plans were difficult to achieve. I look forward to seeing as many of you as possible at the AGM.

Yours sincerely,

Ian Gibson

Secretary,
RADAR Branch
